PRESS RELEASE

With the latest Executive Order of the Governor's Office, the Presque Isle County courthouse will continue to be closed to general public. Will be moving to minimal staffing of the offices. While we find that it is important to all our citizens to provide the services they are regularly accustomed to, it also equally important to do our very best to protect both the employees and the citizens of the county

Each office will continue to monitor phones, emails and process mail daily. Should you find it necessary to conduct business, you will need to call the appropriate office to find out how your request can be accommodated. Please note that the courts are also monitoring and available to assist you with filings, emergency or otherwise in nature.

A listing of the office phone numbers and emails is available on our county website www.presqueislecounty.org, in the county directory and posted on the exterior doors of the building or local phone books.

Due to a lack of a quorum the Board of Commissioners meeting scheduled for Friday, March 27, 2020 is cancelled.

We hope you continue to heed the recommendations of the health officials.
