Local Court Policy:

- The call is a court proceeding and an extension of the courtroom, so appropriate conduct and attire is required.
- If you are an attorney at a different location from your client, be sure to meet with your client before the hearing.
- Remote Participants must use a private and quiet room that will be free of interruptions. (Outdoor, car, or public places are not permitted.) Also, video meetings need good, consistent lighting so avoid rooms with bright windows and / or back-lighting.
- Remote Participants must place their mobile devices on a solid surface with the camera at eye level. Do not handhold mobile devices and do not lay phones or tablets flat on a desk or tabletop.
- Join the meeting at the designated time. Do not join late because it has a ripple effect on other cases scheduled that day. Do not join early because the prior case might still be wrapping up. If you join a meeting and something else is happening in the virtual courtroom, wait silently until you are called upon.
- The court has the right to terminate the call / proceeding if the video experience is not acceptable.
- The judge has authority over the proceeding and participants as if they were present in the physical courtroom.

Participant Technical Responsibilities:

- The court does not provide technical assistance for testing or troubleshooting. Additionally, the court does not provide time during court proceedings to troubleshoot issues.
- Directions for testing your device and networking prior to the proceeding can be found at <https://support.zoom.us/hc/en-us/articles/201362313-How-Do-I-Test-My-Video->
